## Reference letter

**The Spotawheel group of companies** is pleased to announce that it is cooperating with Ewa Flor's Tax Advisory Office in terms of continuous support on tax advisory matters.

The areas in which the office provided us with content-related care were primarily CIT, VAT as well as transfer pricing issues.

In view of the smooth ongoing cooperation and the high standard of services offered, we can strongly recommend this tax advisory office as a proven partner and provider of consulting services.

Ewa Flor's Tax Advisory Office has a team of qualified experts composed of certified tax advisors and long-time specialists in the sector with extensive experience and knowledge. They systematically support us in a reliable and competent manner, while finding a wide range of possible solutions in compliance with the applicable regulations.

With the above in mind, we would like to recommend Ewa Flor's Tax Advisory Office to any entrepreneur who needs support in relation to the rapidly changing tax regulations.
